WE RECOMMEND

„One of the most beautiful apartments in the entire project. A 100-square-metre terrace with a nice view belongs to this apartment, which is moreover equipped with a special intelligent smart system. The suite has its own wellness with a whirlpool, a sauna, a TV set and a reclined bed. Besides the wellness here are two other bathrooms with a bathtub, a walk-in corner shower and a bidet. In the living part you can find a stylish bar, an area for having a sit-down meal for eight persons, an ethanol fireplace and indirect LED lighting.“
